

LEIDEN OXFORD TRANSPLANTATION SUMMER SCHOOL

8-11 July 2018 in LEIDEN

Deadline for application:
March 31st 2018

LOTS to learn!

This 3 day international summer course about solid organ transplantation is primarily open for bachelor (bio)medical students!

The program exists of interactive lectures, patient interviews, small group assignments and games about clinical transplant cases. In the end every group will write a proposal for scientific innovation to improve the outcome for transplant recipients.

And of course LOTS of fun!
